Public Comment

Question why vacant land was zoned as agriculture/forestry but taxed as residential. Charlie Veneros explained that taxation is the same.

In prior meeting, John Stritmatter requested approval to grow medical marijuana in an indoor facility. The township opted out earlier in the year and it was tabled at that time. Requesting Tim MacArthur to come to the next meeting if available.

Joe Wiesner had a concern on fracking. Not done in this area at this time.

Concern of the deteriorating condition of Hiawatha Drive. No funds to fix the road.

Meijer's 425 agreement signed. Possible to be scheduled for 2022.

Motion to adjourn meeting by Scott Eno and seconded by Steve Crusoe. Meeting adjourned at 7:50 p.m.

Teresa Sullivan, Clerk
